Seniors

Seniors,

It has been an honor and a pleasure for me to serve as Senior Class President for the past year. This year has been both eventful and memorable and it would be great to relive the year's activities and those traditions the class of '66" has initiated. Dress-up day, Senior breakfast, clash day, the Senior Ball, the faculty game, plus football and basketball have made this a real senior year and one to be remembered.

Much work has gone into the planning of this year's activities, and as Senior Class President I would like to thank all those who have donated their time and effort to make our senior year a success.

I sincerely hope your senior year has climaxed the many pleasant memories of your high school days. We have a lot to look back on and even more to look forward to. Good-bye and good luck in the years to come.

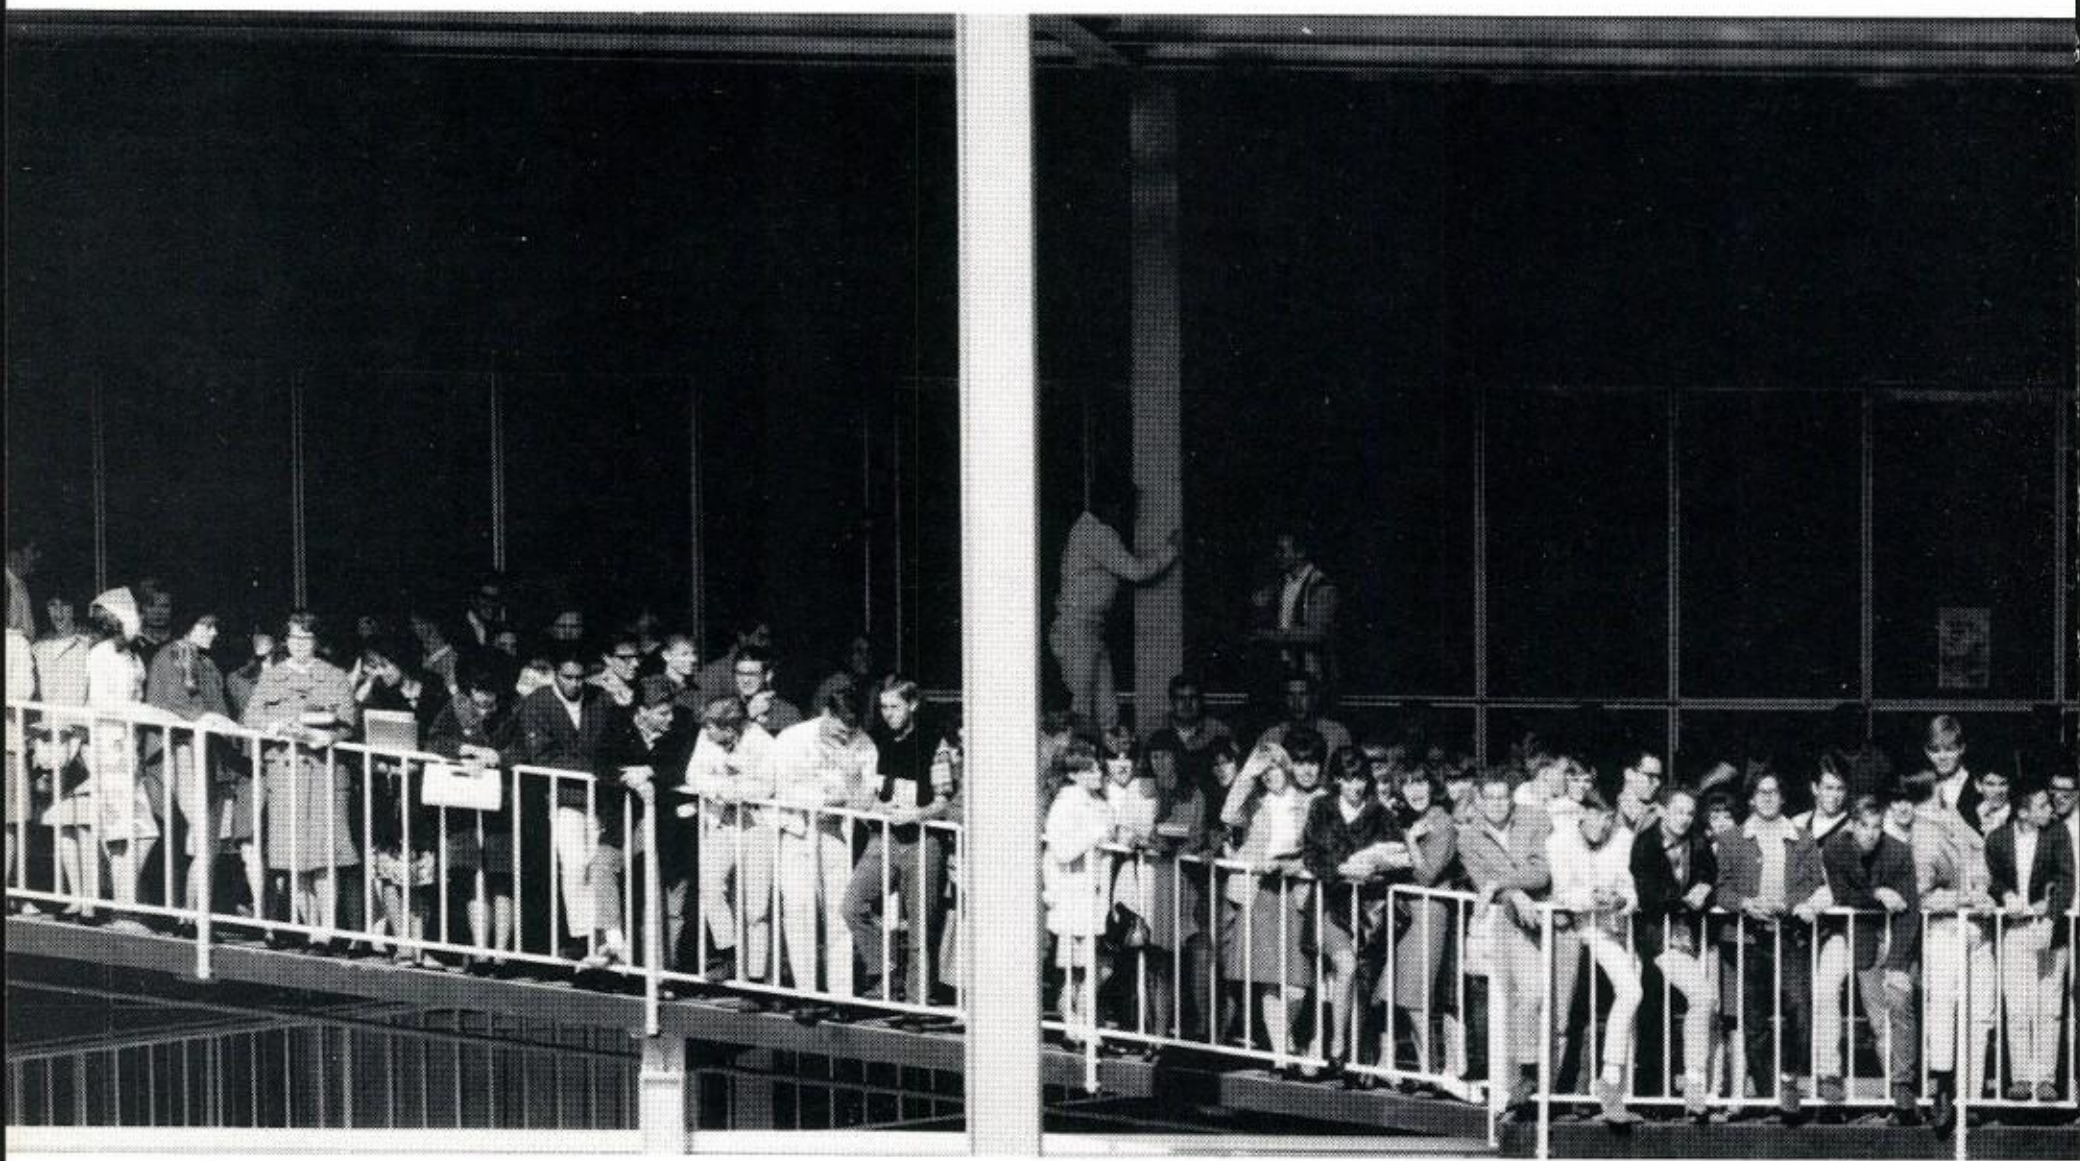

Senior Class President,

Dave McNussen

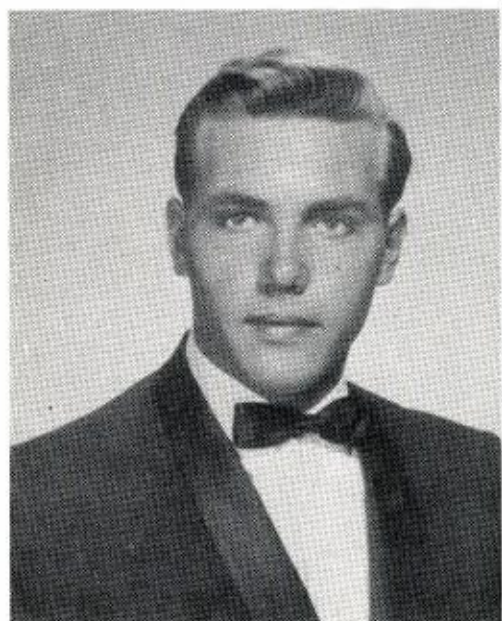

Leadership '66

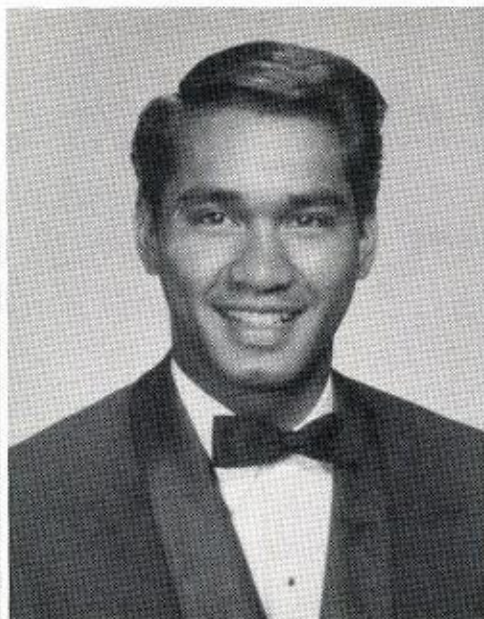

These four Seniors led their class through a memorable year. Dave McNussen, President; Gus Sutsos, Vice President; JoAnne Philips, Secretary; and Judy Torkelson, Representative at Large.

The wind shifts and the
air lifts a great feather mass,
so many silent hawks
outriding
pine pinnacles and
fur,
heads bent
laughing up
austere down...
wings tipping,
feathers breezing,
a immense umber-auburn
falcon cloud rising,
drifting...
talons downpoint
another granite mountain
hourglass,
and yet erode an infinity of eons,

For the 1965 Varsity Football team, it was a long and hard-fought season. Although the Falcons posted only one victory, there were many proud moments of tremendous spirit and tireless team effort as the Varsity increasingly improved with each game. These were the proud moments that made the season seem worthwhile. And these were the good times that will be remembered by the future Varsity teams and the fans that support them throughout the season.

Coach Palen

Last year's entire starting Freshman team was promoted to the varsity, so sophomore Coach Palen was forced to field an inexperienced team at the start of the season. He was still teaching his starters fundamentals when the season was half over, but the team finished strong and nearly defeated Capuchino in the final game.

On offense Terry Christman and Don Broga turned in many fine plays at guard and end. In the backfield Rich Tonini at quarterback, Carl Jarvinen at halfback, and Juris Dumpis were the most consistent ball carriers. On defense Bill Hall and Ken Decker were outstanding.

Crestmoor	0 -	20	Mills
Crestmoor	6 -	7	San Mateo
Crestmoor	0 -	0	Aragon
Crestmoor	12 -	0	Capuchino
Crestmoor	18 -	7	Hillsdale

A look at the record traces the fine progress Coach Brown's team made as it gained confidence and experience. After two initial losses it tied Aragon, 0-0. Aragon went on to win the conference title and post an undefeated season. Then the team ended the season by defeating Capuchino and Hillsdale. The teams biggest asset was their defense: ten times during the season they made successful goal line stands.

Outstanding backs were Mike Garrett at quarterback; Ernie Hall, Barry Raymond, and Don Wright at halfback; and Dave Jordon at fullback. The linemen were led by Vince Repetto and Don Roberts at ends; Jeff Wolfe and Don Walrod at tackles; Tele Aumua and Steve Repalus at guards; and Mike Liar at center.

These boys and the rest of the squad enjoyed playing football. They should have a fine future.

Varsity Basketball

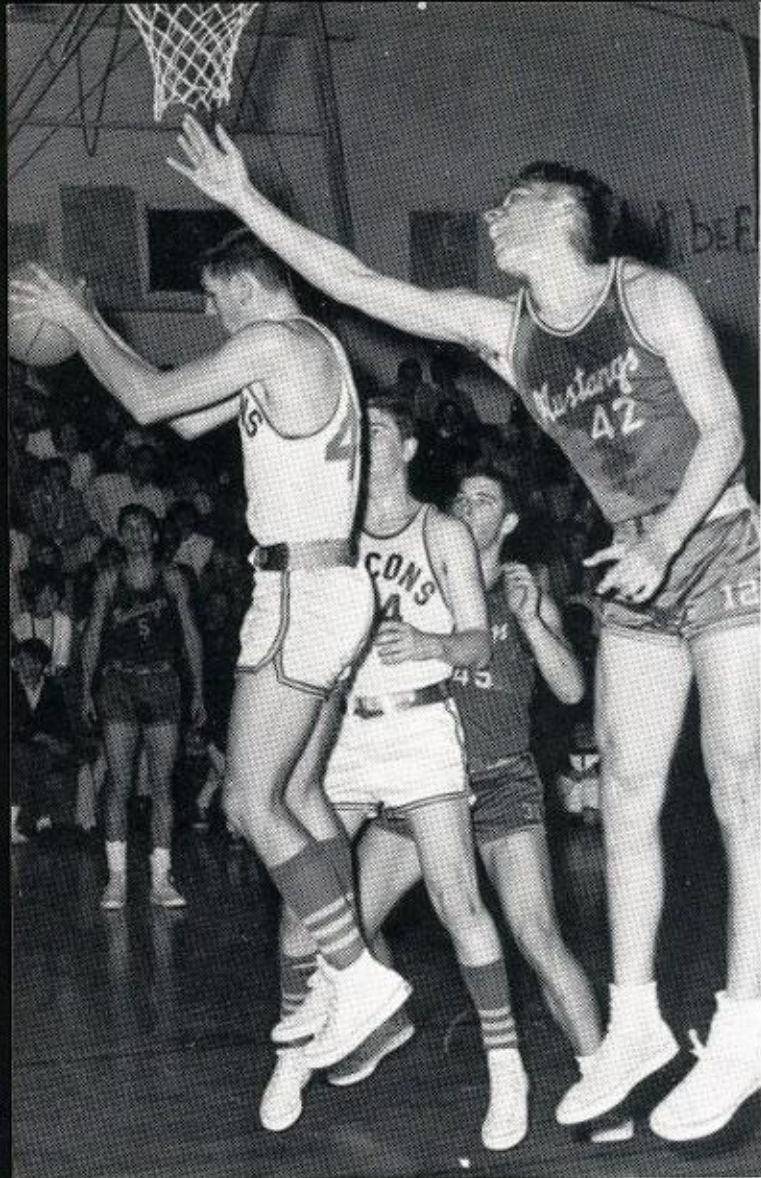

Falcons score against Cap.

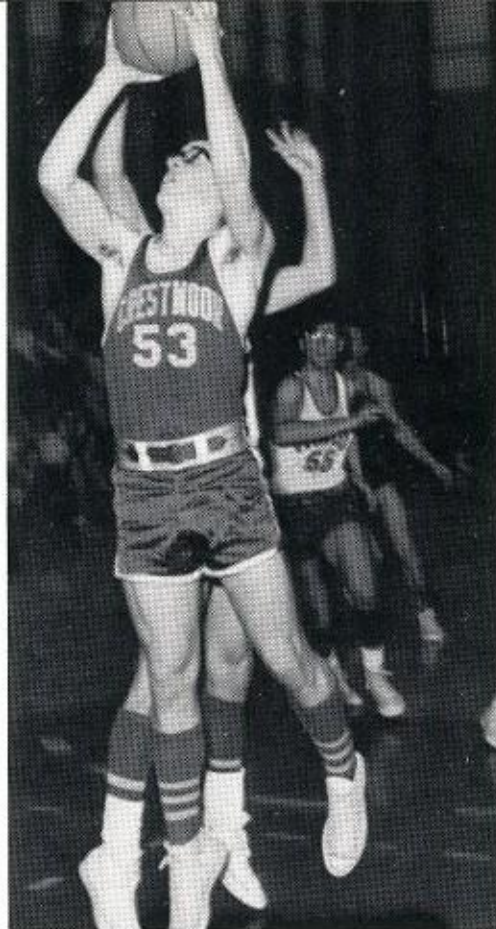

Coach Christgau

On the night of January 7th, the Falcons scored their first victory over Capuchino, 52-48. This triumph was the high point of the season, because for the year the team was plagued by a series of injuries. High scoring Larry Grant sustained an infected blister, missed several games, and never regained the form he displayed when he netted 27 points against Cap. Other minor aches and pains forced Coach Christgau to shuffle nine different players in starting roles. The team ended the season with a 6-17 record. Besides Grant, Jerry Knollmann, Carl Edwards, and Mike Kohles turned in many fine performances. Two players gained special recognition: Larry Grant was named to the second all-MPL team, and Mike Kohles received honorable mention. Kohles was also named to the all-tourney team at the Palo Alto tournament.

Grant comes away with another rebound.

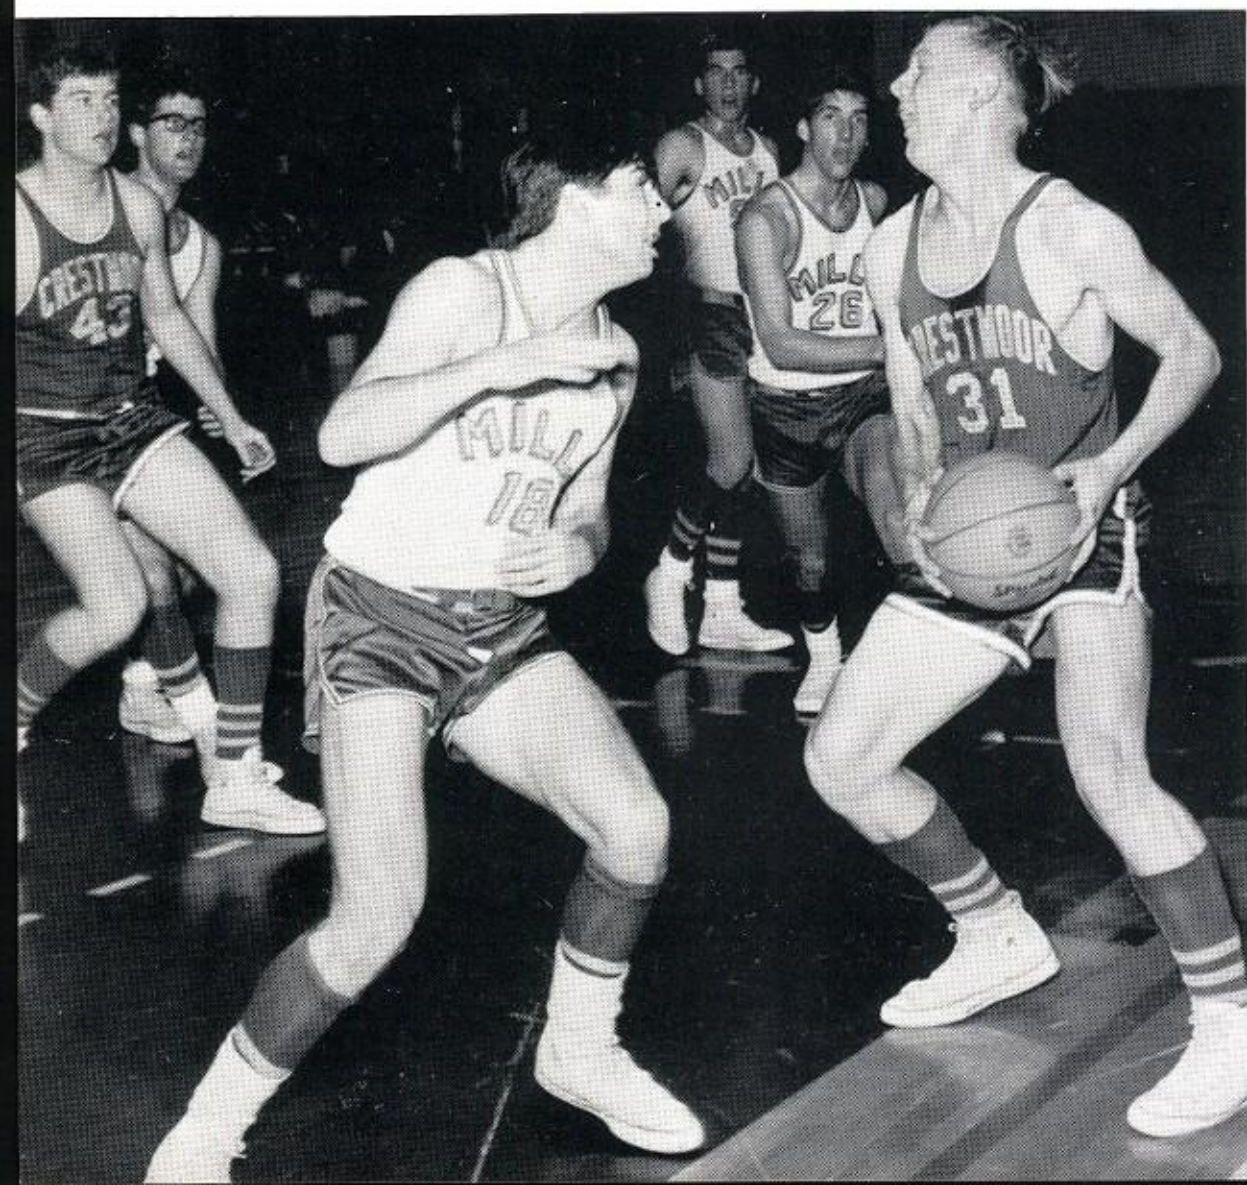

Center Don Broga is fouled in an attempt at the ball.

Paul Weinberger jumps high for 2 points.

Hustling

Mike Kohles eludes a Mills Viking to set up an offensive play.

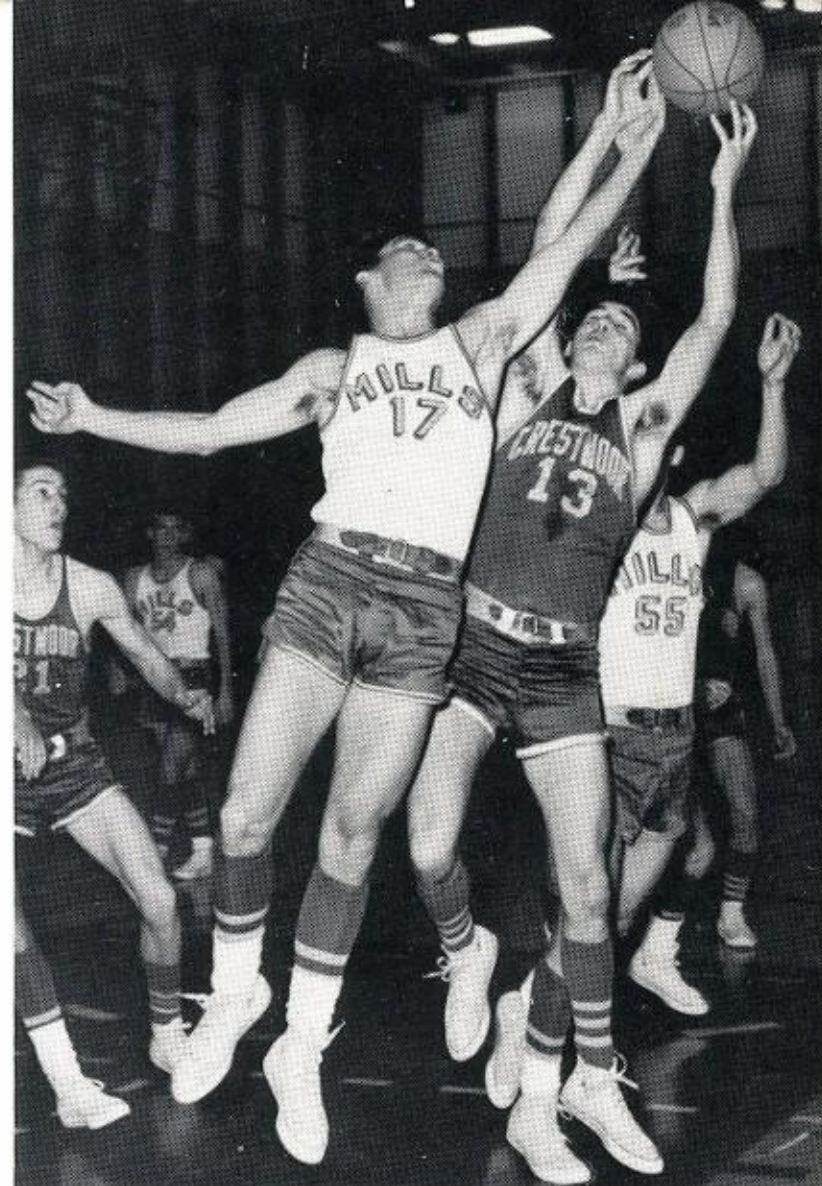

Falcons fall inches short of gaining possession.

Forward Jerry Kollmann scrambles to keep the ball in play.

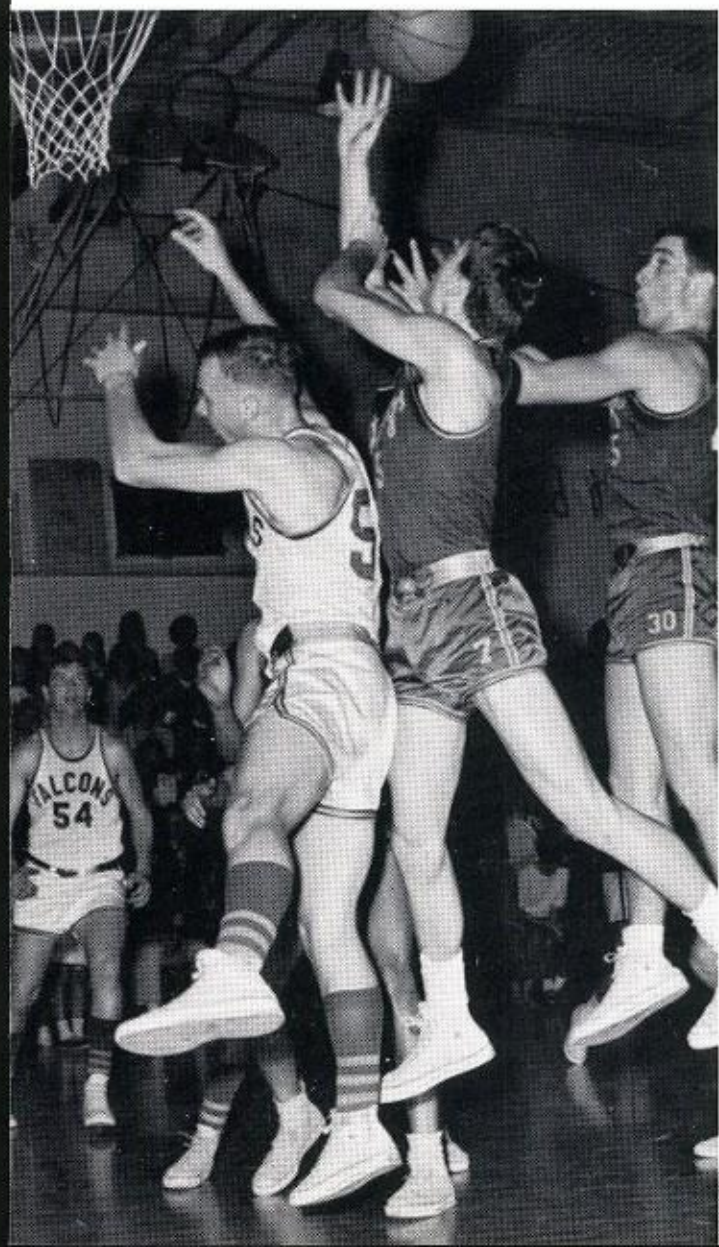

Senior Carl Edwards stretches high on a rebounder.

Coach Kent and his team left the MPL Finals believing they had won first place. Later in the evening, however, a recount showed that Burlingame had edged the Falcons by one point, 79-78. Nevertheless, second place in the tournament climaxed an excellent season for Crestmoor, who finished the year with a 10-3 record.

This spring the swimming team got off to a fine start, winning its first five meets, and Coach DeFelice expects his boys to do at least as well as they did in 1965, when they finished second in the conference.

The team is led by John Bianchi, who holds six league records, the latest acquired on March 8th when he broke the conference 200 yard individual medley. Other league champs are Bob Seger, Pat Callaway, and Russ Pfandler, who, with Bianchi, were victorious in the medley relay. Vic Pitts was champion in the 200 yard free style.

FRONT: J. Thompson, B. Gomes, B. Paiz, J. Dirking, D. McNussen. MIDDLE: S. Waskey, S. Griffith, D. Barkett, M. Blandini, D. Dickey. TOP: Coach Gehre, L. Grant, M. Kohles, A. O'Brien, R. Landrum, mgr.

Coach Gehre's varsity team got off to a fine start this year, winning three of the five games they had played when we went to press. Victories were posted over Poly High of S. F., Half Moon Bay, and the S. F. State Freshmen. Early season standouts were pitchers Dennis Dickey and Jeff Dirking, and hitters Duane Jackson, Steve Waskey, and Mike Kohles, who got four hits in the S. F. State game.

Coach Gehre imparts "wisdom" to his charges between innings.

Junior catcher Mike Kohles shows hitting style which garnered 4 hits against the San Francisco State College Freshmen.

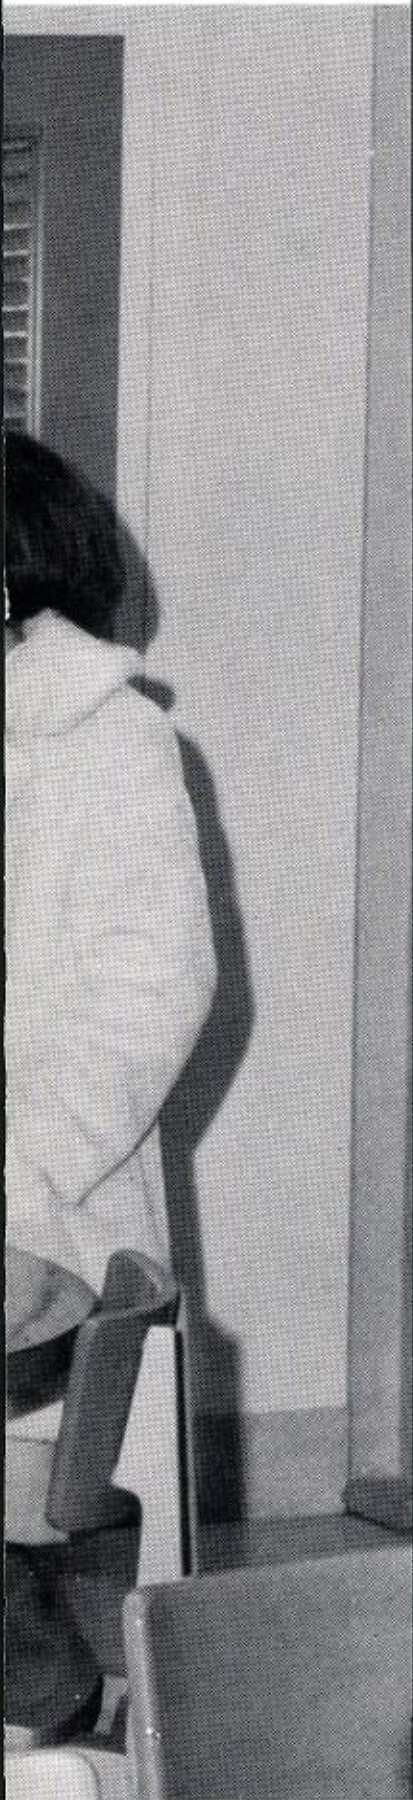

Frosh-Soph Baseball

Coach Davis led his team to an early season record of two wins and one defeat. The team lost its opener to Westmoor 5-4, but then the Falcons downed Half Moon Bay 9-6, and Westmoor 8-2 in their return encounter.

SEATED: K. Schindler, D. Wright, M. Lane, C. Heden, G. Hayes. MIDDLE: F. Garrison, P. Nutini, M. Rowley, R. Rodriguez, D. Jordan, P. Gauci, M. Fogleman. STANDING: Coach Davis, S. Gorham, M. Garrett, J. Saltenberger, D. Ranahan, R. Powell, M. Garrett.

JOHN CHRISTGAU: "Are you gonna spin in?"

Robert Fleming

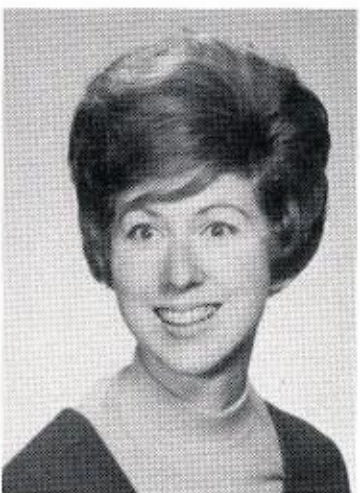

Tired of watching dull TV shows? Try books. The English Department offers everything from Alice In Wonderland to Madame Bovary. Don't be put off by certain beady-eyed teachers who insist that you find an "inner meaning" to such works as "Mary Had a Little Lamb." Rebel! Read instead the best murder story of all time: Dostoyevsky's Crime and Punishment. Inner meaning be hanged!

Social Science Department

If you like unbelievably dry jokes, the Social Studies Department is there to provide them. If you find the English Department too frustrating, social studies offers courses such as map coloring for the methodical student. And if you are in dire need of learning the art of speculation, try a hypothetical investment in the stock market. No matter what your views or interests are, the Social Studies Department is there to stimulate them.

Business Department

Among the many subjects taught in the business wing, the most fascinating are the typing classes. In no other department is it possible for straight A students to complete a semester's work with a D average. In no other department can a student be made more aware of his own awkwardness. Stubby, fat fingers compete with lanky, unco-ordinated fingers for dubious achievement awards from Miss Schwitters and Mrs. Cokas.

DANIEL SANTOS: "Long live the Spanish Armada!"

Come esta usted? Formidable! Prima! Wunderbar! Is your vocabulary minus these words? If so, then turn to the Language Department whose instructors are presently offering seminar courses in "quickie gargling techniques" for Germans, "do it yourself trilling" for Spaniards, and "1-2-3 nasal passage pronunciation" for Frenchmen. Whichever course you choose, you are bound to become a master of the language.

The Science Department is the battle front where each chemist and biologist comes to defend his occupation. In the midst of this waging war we find demure, sensitive young girls attempting to dissect worms between fainting spells; and premature adventurous chemists wondering why concentrated nitric acid burns holes in their shirts.

Mathematics

Department

Everyone knows that schools must teach math; after all, the day will come when students will have to balance checkbooks and budget incomes. But advanced math provides bright students with the opportunity to embrace new and unusual careers. For example, the field of jelly bean counting draws many students who have mastered Pascal's Theory, square root, and logarithms. And each summer the San Joaquin Valley hires hundreds of third and fourth year math students to measure the circumference of wrinkled raisins.

Donnell Linthacum

CECIL DAVIS: "That's better, white chalk doesn't clash with purple chalk."

Safety Education

One of the most intriguing and daredevil classes any student or teacher can participate in is safety education. Here teachers become well-versed in the ability to operate the emergency brake while suppressing screams of terror. Students, meanwhile, become exceptionally skilled in the ability to frustrate and petrify the teacher at every intersection. At the end of a semester's driving course, however, students conduct themselves as seasoned veterans of the highway, much to the satisfaction of the pedestrians of San Bruno.

FRANCIS ROBINSON: "Whoever reaches the intersection first wins!"

MARY SMITH: "But burning toast is human nature."

Home Economics

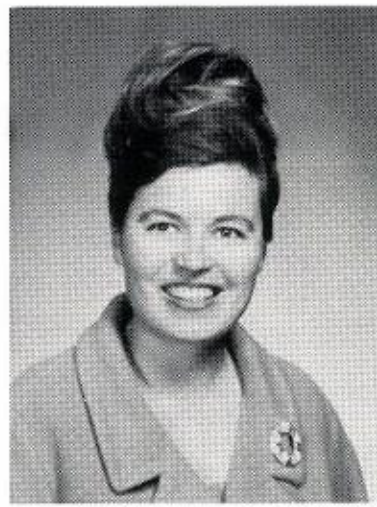

One of the most interesting units taught in home economics is toast burning. Some of the slower students never learn; time and again their slices pop out of the toasters looking as golden brown as the hills of California. The A students, however, produce toasted delicacies ranging from crisp, lightly charred to crusty, brittle ash. Then the girls garnish with margarine and proudly sample their taste tempting treat. YUMM!

GREGG MACGIBBON: "No, I prefer my nail painted blue."

Art

If you wish to air anxieties or frustrations, look to the Art Department for relief. If, on Monday morning, you detect a sudden urge to be splattered with paint, only the Art Department can aid you. After roll has been taken, frustrated one, you may spatter to your heart's content.

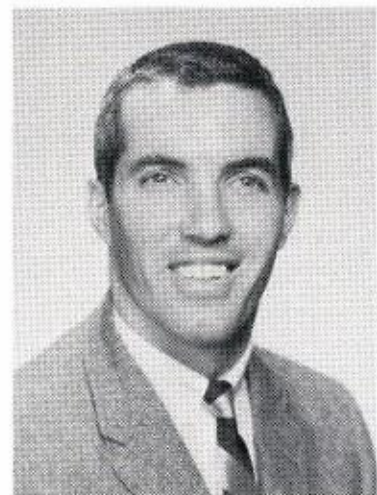

Music Department

Calloused lips, over-developed diaphragms, and swollen lungs are occupational diseases prevalent in the Music Department. Mr. Musser faithfully conducts the squeaks and squawks of broken reeds and untuned pianos. Somehow, however, when concert time nears, minor ailments in musicians and instruments disappear and then the band and chorus present fascinating musical scores.

CLOYCE FRAZER: "Hmmm, what should we do now?"

ROBERT MUSSER: "Are you sure you're reading the notes?"

Julian Cane

Industrial Arts

Behind the grinding wheels and whirring gears, the Industrial Arts Department prepares young boys for the role of future husbands, whose wives will pester them to display their fantastic abilities as handy-men and carpenters. But first Mr. Frazer, Mr. Smith, and Mr. Cane must instruct their charges in the elementary art of hammering nails and planing 2 by 4's into 1 by 2's. Then the boys learn clothes soiling. Mom forgives them their oil and grease spots, however, when they reward her with the fruits of their labor.

Girls' Physical Education

One of the most recent additions to the curriculum of the female Physical Education Department is jacks. On dreary, rainy days, the gym floor is scattered with jack masters ranging from the queen who can go straight through her twosies without a mistake, to the clod who never leaves her onesies. Many frown upon this because it is not "physical" enough. On the contrary, jacks provides both physical and mental exercise. The development of finger and wrist muscles is truly a physical exertion; and the strategy involved in planning each move is most challenging to the mind. However, on sunny days the girls desert the gym for the archery range or tennis courts. Ever try to drive a tennis ball into the wind?

ELIZABETH RETZLOFF: "But if it wasn't for the wind I'd have a bulls-eye."

Boys' Physical Education

A recent attempt to establish co-educational physical education classes met with mixed success. Much to the surprise of the instructors, the boys kept their heads and acted like gentlemen. Then they proceeded to massacre the girls in each and every sport which was played. At the end of the unit, male nerves were on edge and female eyes were filled with tears. When the unit was over, however, the girls garnered some revenge by peppering the boys with arrows from the archery range as they circled the track.

German Club

Founded in 1963, the GERMAN CLUB is now the largest Crestmoor student organization. This year the club attended a Faust Film in San Francisco, held a banquet, and went to Thornton Beach for a beach party.

Fall officers were President Jerry Mason; Vice P. Janet Hallmark; and Sec. -Treas. Lynn Ford. Spring officers are President Diana Barrett; Vice P. Scott Harris; and Sec. -Treas. Mary Anne Oppici. The club's faculty advisor is Mr. Siebert.

The purpose of the INTERNATIONAL STUDENT EXCHANGE CLUB is to raise funds for students who plan to spend summers abroad, either in study or on international exchange programs. Officers are President Debbie Burton; Vice P. Sue Rapalus; Sec. Cynthia Jones; and Treas. Linda Ellison. The club's advisor is Mr. Santos.

ISEC

Spanish Club

This year the SPANISH CLUB co-sponsored the Christmas Party and brought a touch of Mexico to the language department of Crestmoor. The officers are President Kathy Cox; Vice P. Lynn Simon; and Sec. Brenda McGregor. Mr. Calvert is the club's advisor.

French Club

The main purpose of the FRENCH CLUB is to acquaint its members with the tradition and culture of France. The club sponsors various activities throughout the year, including a bike ride in Golden Gate Park, dinner at a French Restaurant, and the viewing of a French play. The officers are President Robin Rey; Vice P. Mary Ann Newell; and Sec. -Treas. Susanna West. The club is advised by Mr. Tamerlane.

Under the direction of Mr. Harlan, these future photographers experiment with many facets of photography. Members learn how to develop and enlarge pictures, and contribute to Wingspread candid and group shots.

Photography Club

These members of the RADIO CLUB meet regularly with Mr. Harlan to discuss various aspects of radio technology. Some aspire to become ham operators. Others build their own receivers.

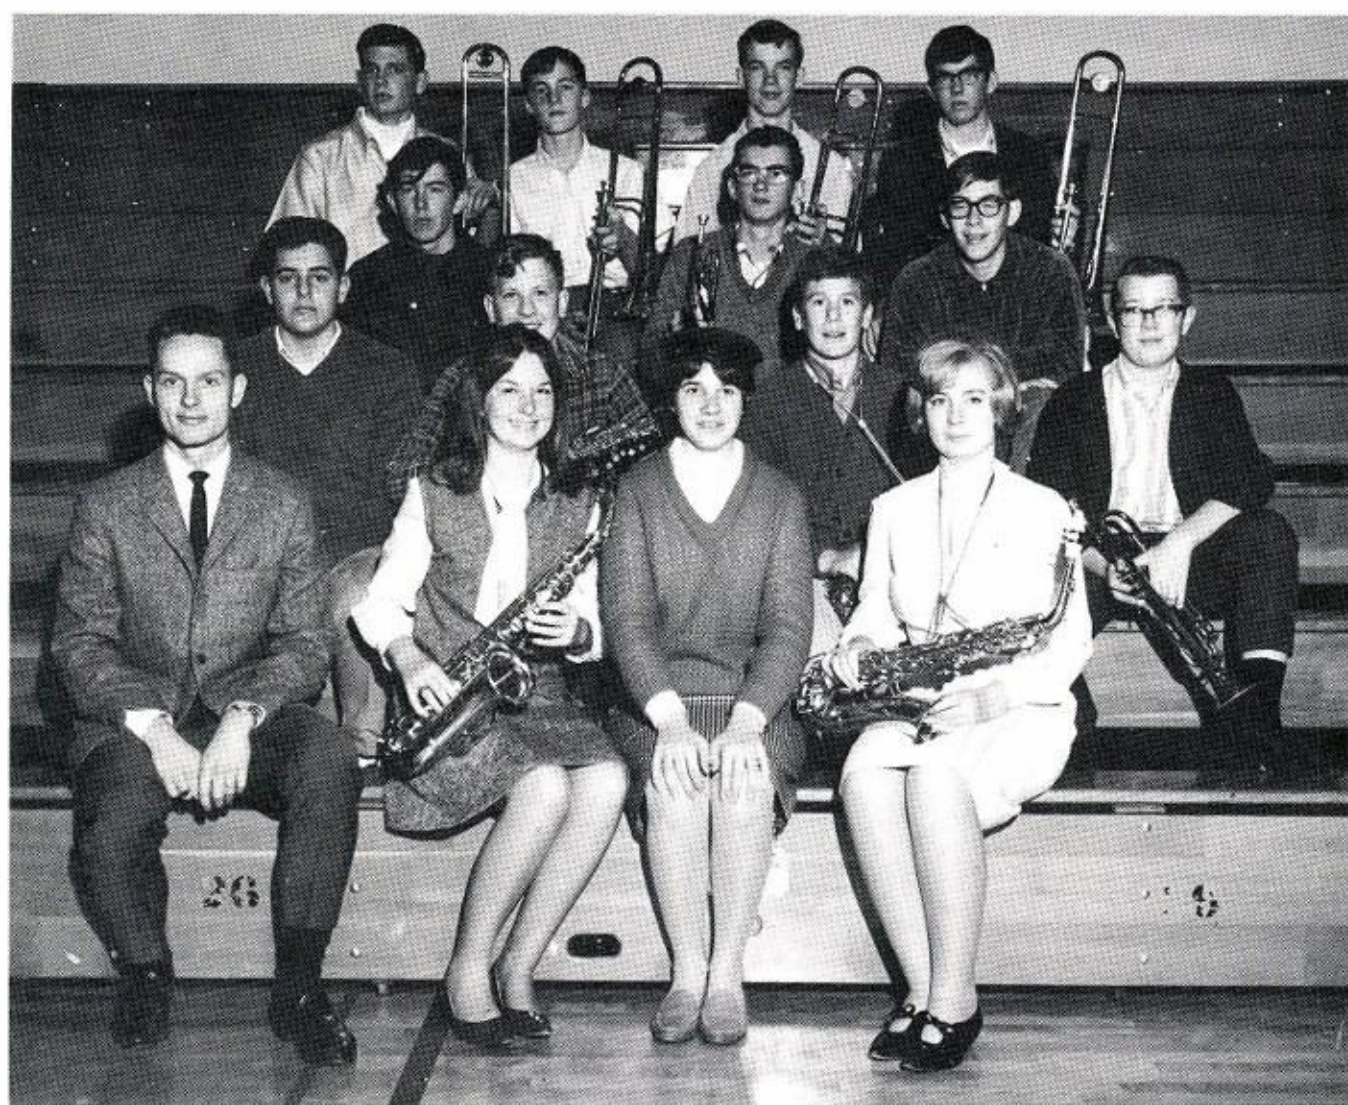

Radio Club

Chorus

This year the CHORUS, under the direction of Mr. Musser, presented a Christmas Concert in the Little Theater on Dec. 16th. One of the highlights of the evening was "The Sound of Christmas" by Floyd Conley. The CHORUS and the band also presented a highly successful Spring Concert.

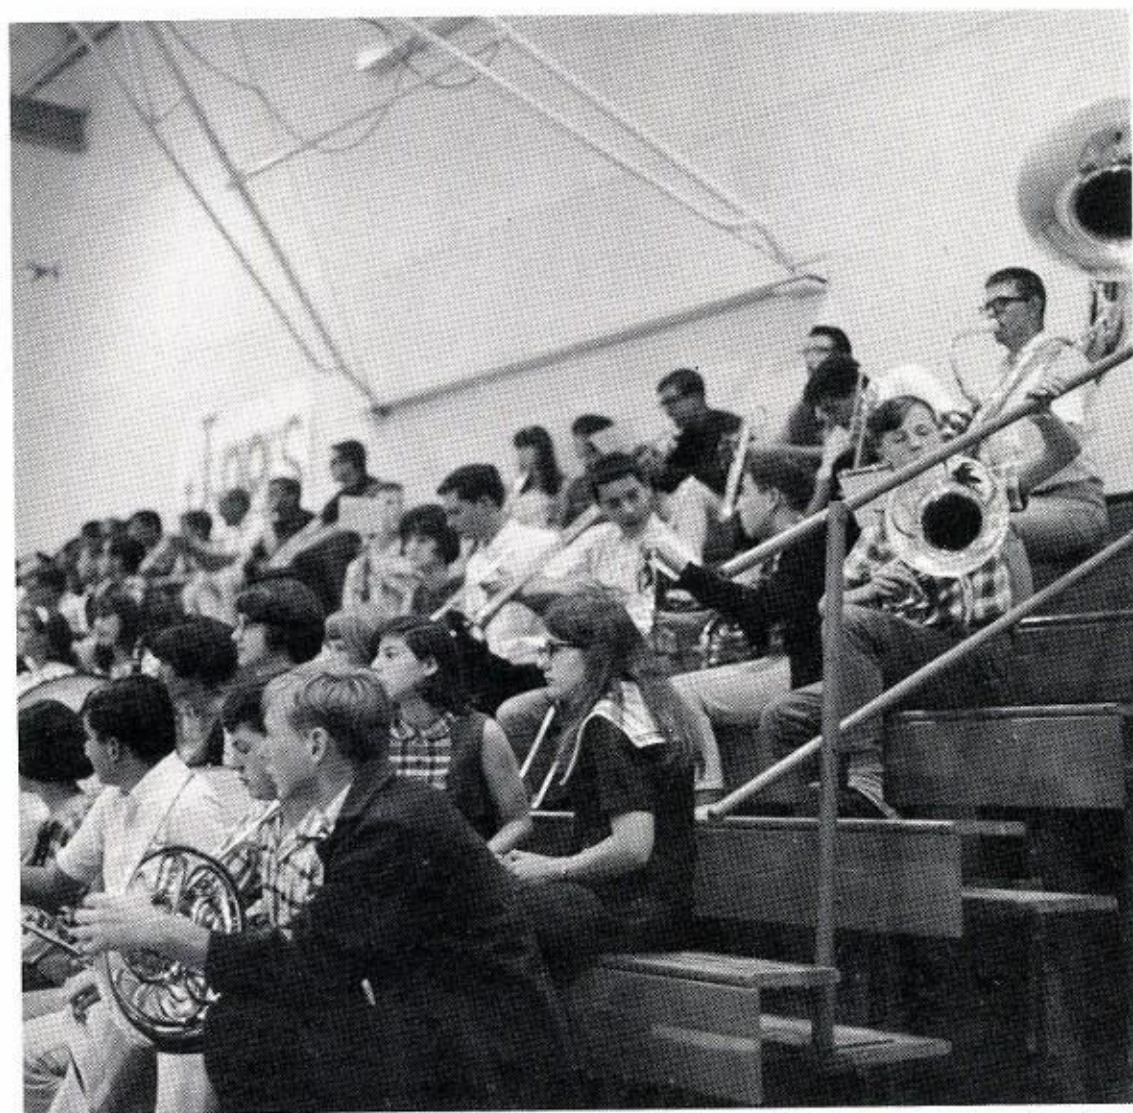

The DANCE BAND, also led by Mr. Musser, played musical selections ranging from Glen Miller to modern jazz.

Dance Band

Band

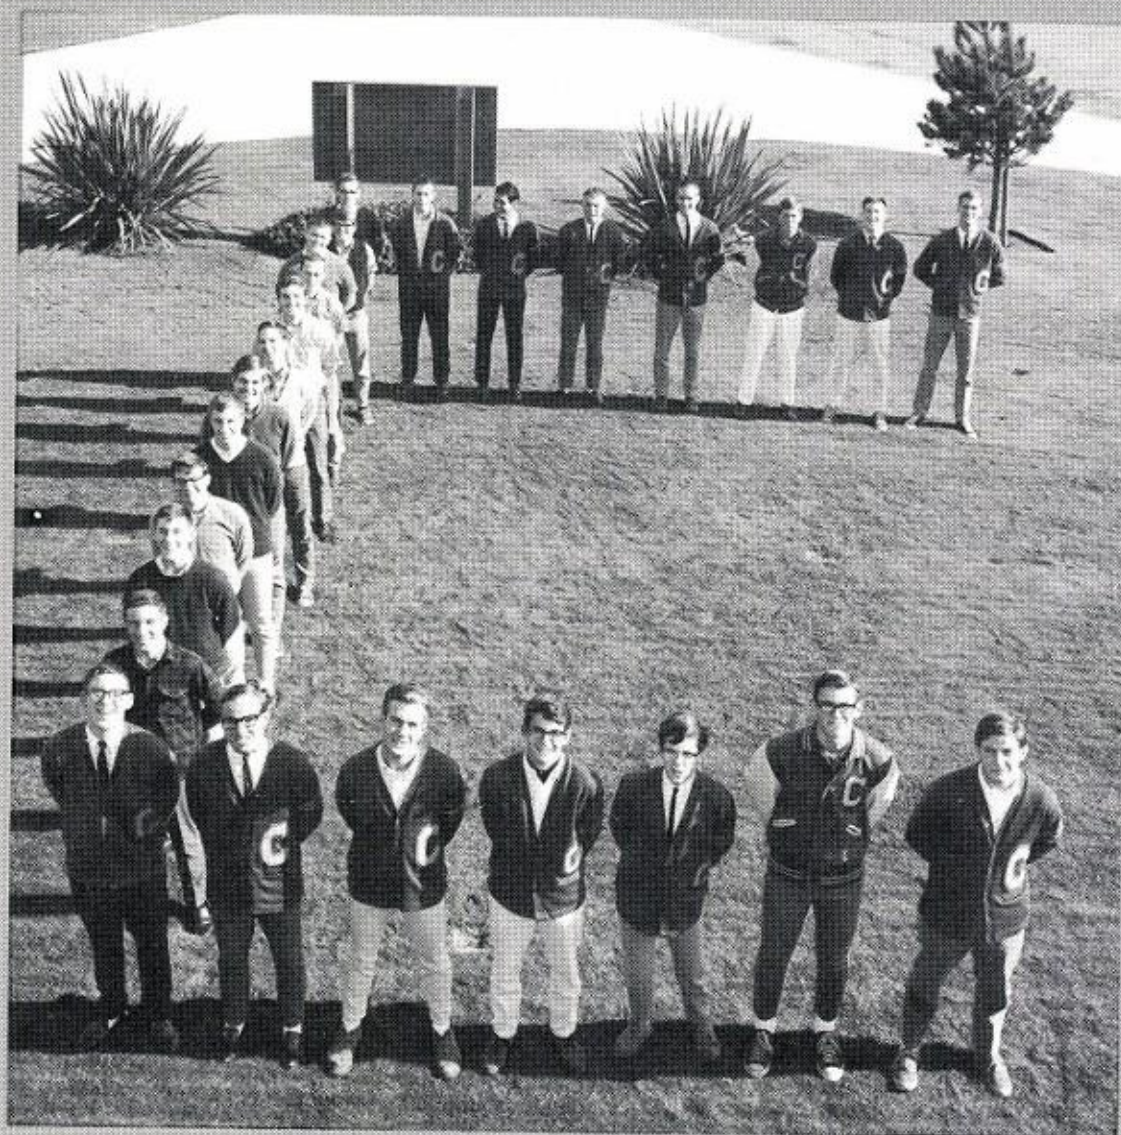

Under the direction of Mr. Musser, Crestmoor's band entertains the students and the general public with performances at games and on stage. The band made an appearance in this year's talent show and gave a Christmas concert.

At left the band relaxes between tunes at the Capuchino Rally.

Pep Club

The purpose of the PEP CLUB is to promote school spirit. The members accomplish this by wearing colorful blue & gold uniforms and forming a block "C" in the stands at all football and basketball games. This year the club was led by President Jemma Turner. The club's faculty advisor is Mrs. Dunn.

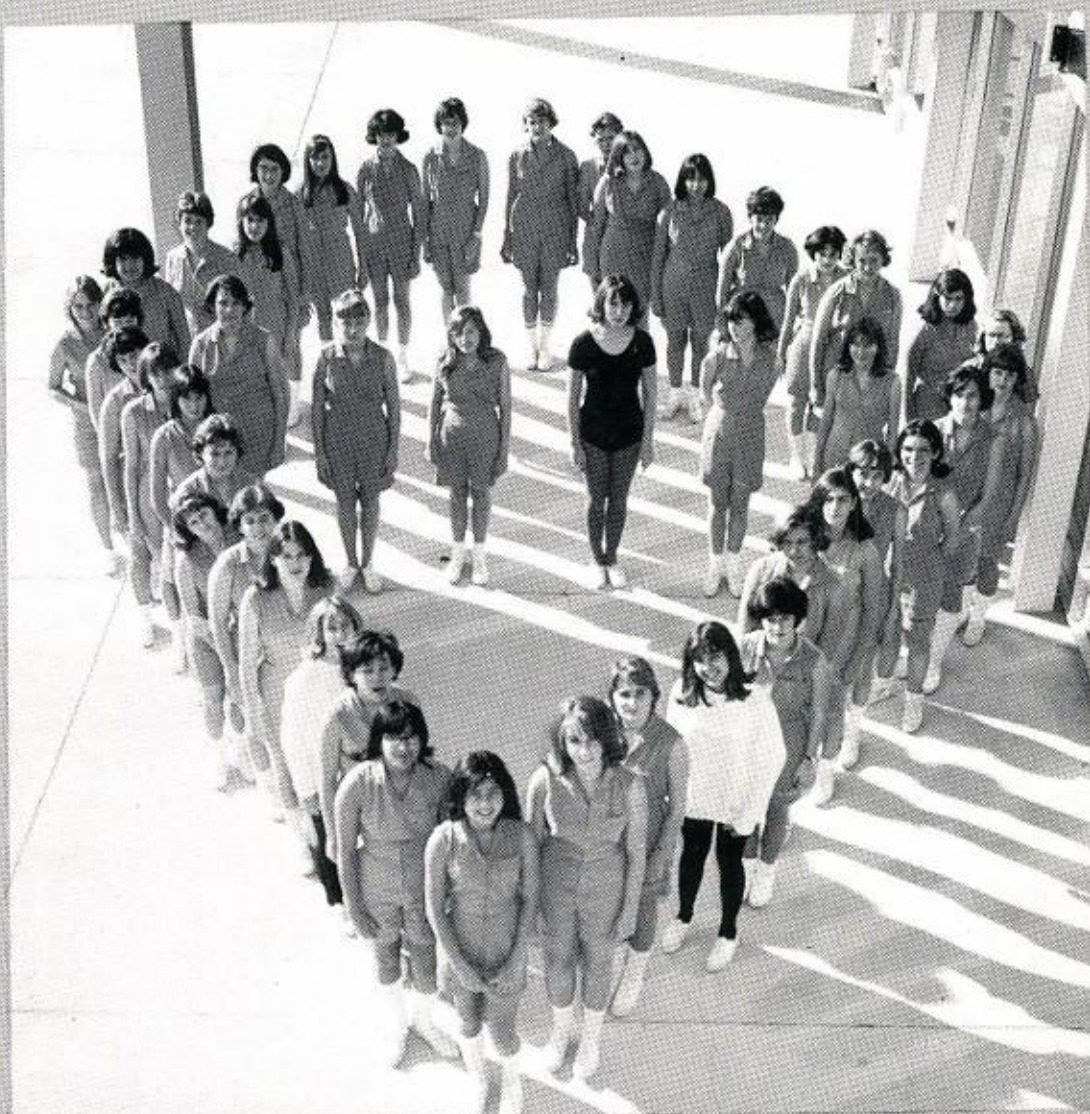

Block "C" Society

Membership in the BLOCK C SOCIETY is limited to athletes who have earned school letters. Members contribute service to the school by supervising assemblies and athletic events.

The officers are President Pat Poor; Vice P. John Bianchi; Secretary Stephen Barrett; and Sergeant at Arms Dave Mc-

The membership of the GIRL'S ATHLETIC ASSOCIATION includes girls who have an interest in participating in extra-curricular sports. Some of this year's activities were: gymnastics, swimming, and the sponsorship of a mother-daughter dinner. Pres., Jayne Hughes; Vice-Pres., Martha Black; Sec.-Treas., Pat Rhoades.

GAA

The MODERN DANCE CLUB is composed of girls who have a special interest in learning the techniques of dance and body mechanics. They apply these skills in the creation of original dances.

Modern Dance Club

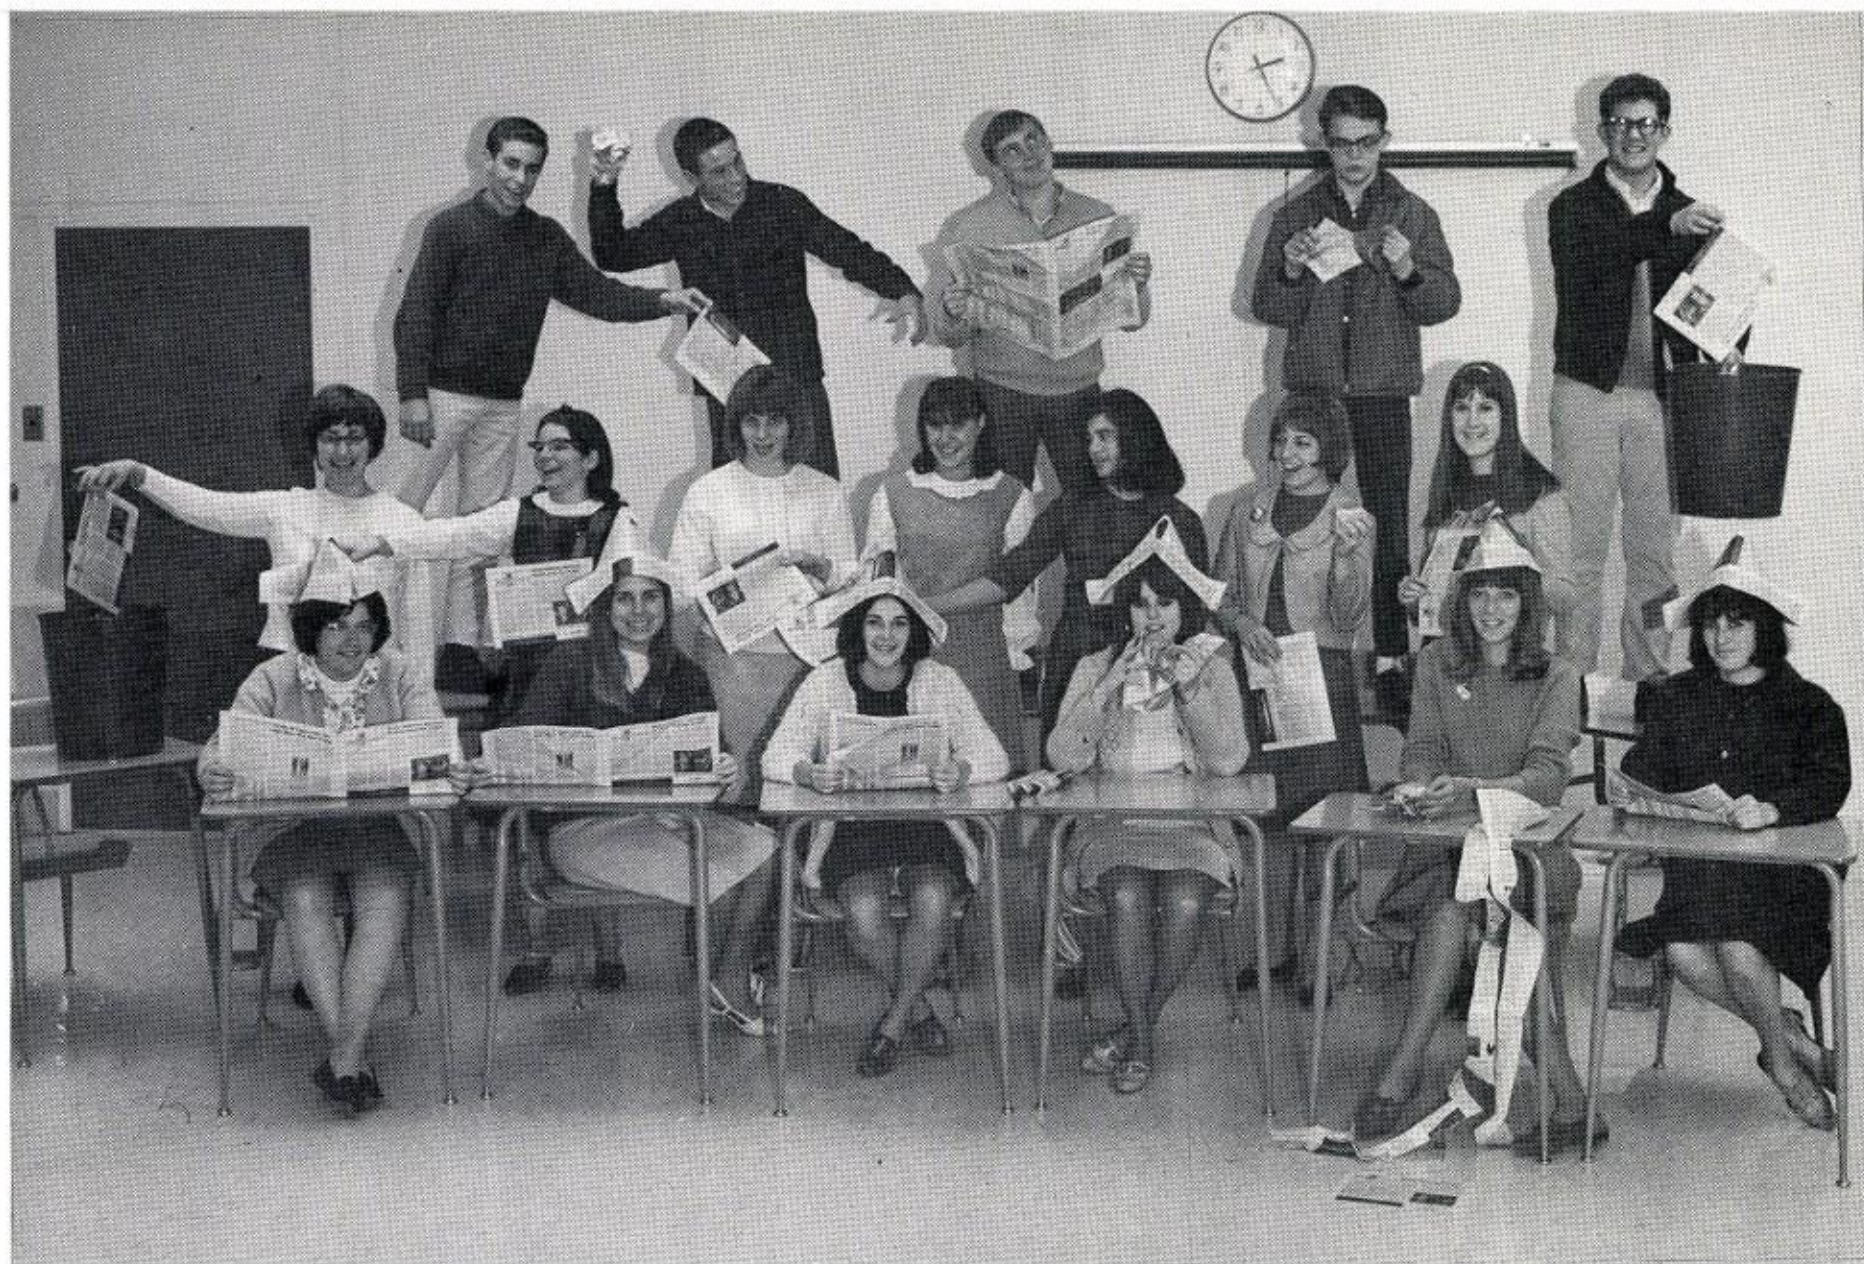

CSF

The CALIFORNIA SCHOLARSHIP FEDERATION is a scholastic organization made up of students who have a record of high academic achievement. This year Crestmoor's organization received its official charter. Officers are President Lynn Simon; Vice P. Diana Barrett; Sec. Mary Bly; Treas. Debbie Burton, and Hist. John Bianchi.

The officers of the CRESTMOOR GIRLS' ASSOCIATION and the CRESTMOOR BOYS' ASSOCIATION work to promote better feeling between the school and the community, and support fellowship among the students of Crestmoor. CBA Pres. Gary Callahan; CGA Pres. Holly Worrell.

CGA and CBA

The Crest Staff

Do not be deceived by the antics of Mr. Goldman's Crest staff. Although our photographer caught them in a lighthearted mood (above), they took their journalism assignments seriously. During the year they produced many challenging and controversial issues which stimulated students and faculty alike to take a closer look at Crestmoor's moral and social issues. Their articles and editorials on the pledge of allegiance to the flag, smoking in the faculty room, and the attitudes of students toward cheating were especially provocative.

The motley crew assembled here experienced the pleasure (and agony) of planning and producing Wingspread '66. Yearbook editor was Diana Barrett and faculty advisors were Mr. Field and Mr. Hubbell.

Talent Show

"A-one and a-two and a..."

On March 2, 1966, the Basketball team presented a Crestmoor first in the form of a talent recital. Playing to a "standing room only" crowd in the Little Theater, the athletes presented acts ranging from a jug band to a ballet duet.

The theme of Crestmoor's second annual Homecoming Dance was "Spirit '65-'66." The high point of the evening was the coronation of Pat Gunn as football queen and the presentation of her court.

Spirit '65-'66

The football queen, her court and their escorts danced immediately following the coronation while the other couples in attendance looked on. For the remainder of the evening everyone enjoyed the music and festive atmosphere of this exciting affair.

Among the happy people attending the Christmas Dance were Linda Cola and Nick Rubino.

Sally Worrell, Greg Russtrom, and Joanne Balsells concentrate on the jerk.

The dancers were kept moving by the up beat of the Time Machine.

Twelve Days

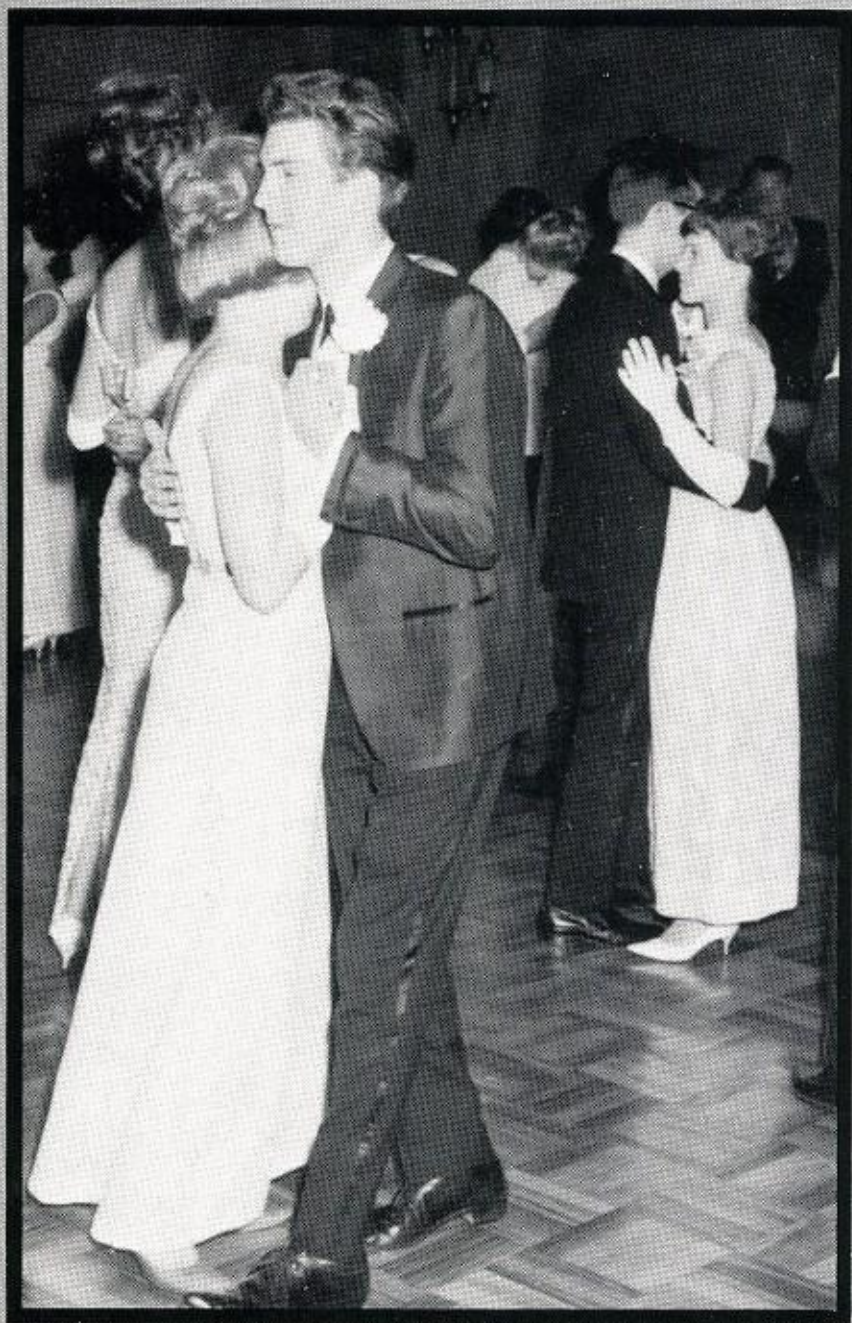

Stained glass windows, Christmas trees, and mistletoe set the mood for this year's Christmas Dance. One of the top peninsula groups, "The Time Machine," provided the entertainment.

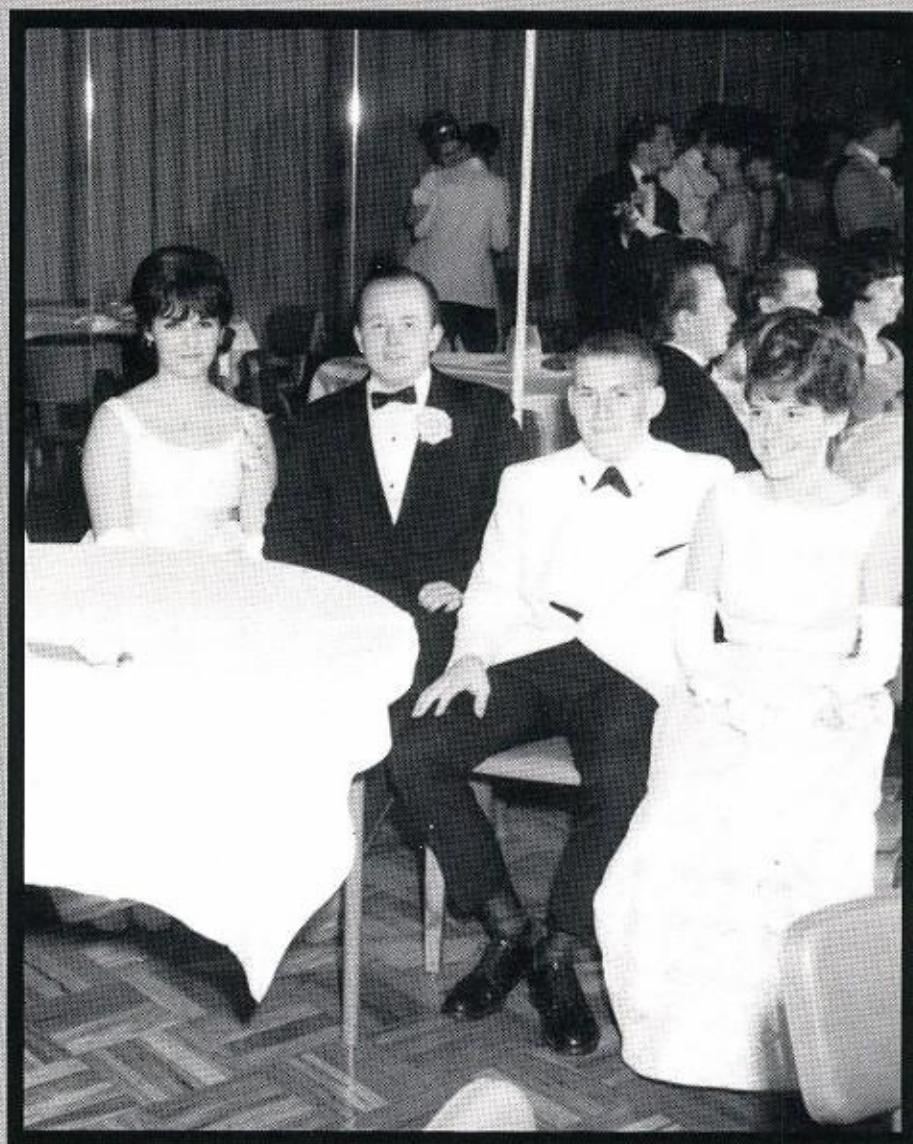

The "Twelve Days of Christmas" theme provides the backdrop for these two intent dancers.

Seniors relax while Mr. Frazer looks on.

On February 5, 1966, the senior class presented Crestmoor's second annual Senior Ball at the Villa Hotel in San Mateo. The theme for the evening was "Villa of Jade" and seniors danced to the music of the Don Carle Band.

"I feel pretty."

Exposure to Creativity:

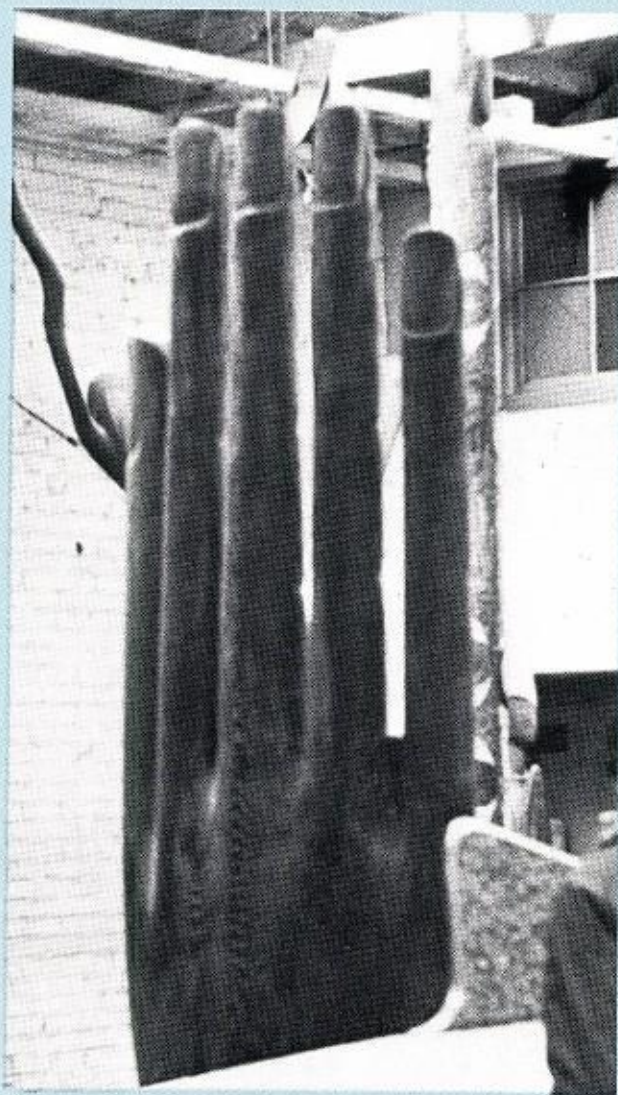

Participants in the Famous Person Seminar Series and members of the art classes at Crestmoor went on a field trip to the studio of sculptor Benny Bufano on December 2, 1965. In this person-to-person meeting the students did more than inspect the studio of an artist; they gained insight into the character of the man himself. Mr. Bufano's artistic message is simple: the hope for world peace rests with the children of the world. All his works reflect this message with great clarity. It can be said of Benny Bufano that he has dedicated his life to the fulfillment of his ideals.

A Visit with a Master

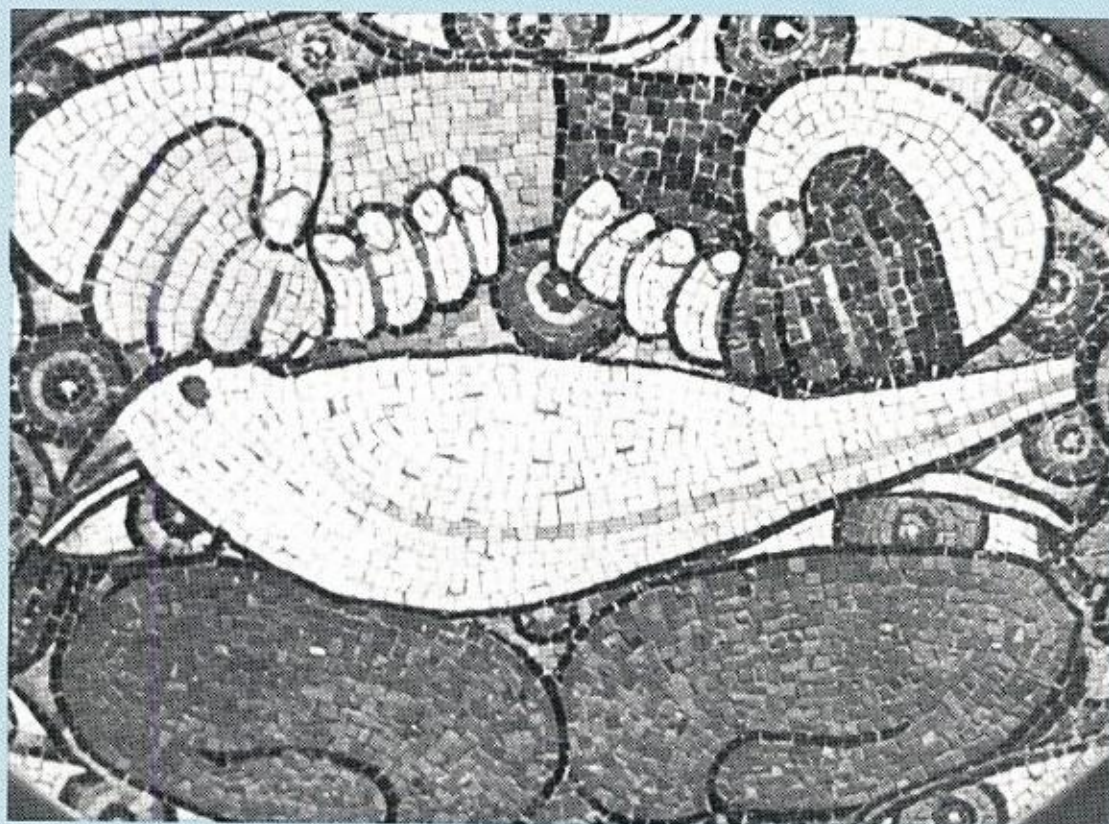

In his unassuming and personal manner, Mr. Bufano explains the methods he used in creating one of his major works: a mosaic depicting the children of the world, to be sent, upon completion, to the United Nations.

"Simplicity is my major project."

Hootenanny

In March the International Student Exchange Club presented Crestmoor's third annual Hootenanny. The cast included members of the Crestmoor student body and faculty and other talented performers from surrounding high schools.

Niki Starr and Mike LaPorte provide the only note of sanity in this zany play; they portray two young lovers caught between the stuffy conventionality of the business world, and the uninhibited Sycamore family. Grandpa Sycamore goes to commencements, goes to the circus, and collects snakes. His daughter writes plays because a
